

My Fellow Americans,

I would like to take this opportunity to invite you to attend, and compete in the 11th annual Veterans rifle shooting competition which we have recently dubbed as the annual Veterans Invitational Rifle Competition.

This 4-5 person rifle shooting team event was started as a way to raise money to donate to the Veterans Home in Mexico, Missouri. This remains to be the reason for holding this event and will continue to be our mission.

Please see the enclosed information packet, and if interested, we would be extremely honored if you would consider joining us on this mission to help provide for our current and future comrades through the Veterans Home in Mexico, Missouri.
